## Yokohama Christian School

### Reminders

**June 3, 2021**

Field Trip to the Kurihama  
Flower World

**June 10, 2021**

Graduation Day

**June 11, 2021**

Last Day of School

### Upper Elementary Class

Dear Parents,

This last 2 weeks will be busy days for everyone as we close this school year. Students with incomplete grades will double their effort to work on the graded activities for their final average on the report card. We will spend the last three days before graduation sorting out all the books in the classroom and bringing home individual supplies, consumable textbooks, and workbooks. There will be **no summer** homework since it's the end of our international school calendar.

General cleaning as a service to the school will start on Monday, June 7, 2021 along with the general rehearsals for the End of Year and Graduation Ceremony.

Students of the Month
